SEATING

SEATING SOLUTIONS

The house brand, Tzora, has been leading the manufacture and import of complete solutions for sitting areas since 1957: computer workstation and executive chairs, meeting room chairs, chairs for cafeterias, waiting areas and common spaces, training and laboratory chairs, auditorium chairs and more. All the products meet accepted furniture industry standards such as: BIMFA (North America), CATAS (European Commission) and ISO9001+ISO14000 for environmental protection. Tzora provides a professional team of interior designers, engineers, planners and technical support personnel to help you plan the perfect office.

The preferred choice of over 60% of the procurement managers in Israel (a survey conducted in May 2020).
